October 26, 2020

Dear School Community:

Sunday, October 25, 2020, we received confirmation that an employee of our district has tested positive for Co-VID 19. We wish this team member a healthy recovery. While we must protect the privacy of the person involved, we believe it is best to communicate transparently with you.

The Van Buren/Cass Health Department has conducted a public health investigation which included contact tracing and has determined that no other staff or student has been impacted by this case.

Please know that there is nothing more important to the District than the health and safety of our students, our staff, and our families. We will continue to follow health and safety protocols. If you have any questions or additional concerns about this matter, you are welcome to contact me.

Sincerely,

Jeff Rehlander
